Lytle Creek Community Cleanup Planned

LYTLE CREEK – Board of Supervisors Chairman Paul Biane, County Code Enforcement and Solid Waste will host a free community cleanup from 8 a.m. until noon on Saturday (June 21) at two locations in the Lytle Creek community.

Trash bins will be located on the east side of Lytle Creek Canyon Road near the Scotland Store and on the west side of Lytle Creek Canyon Road near Green Mountain Ranch Road.

Residents can dispose of any waste that would be accepted at the county landfill. Tires must be no larger than 11 inches by 25.5 inches, and rims must be removed. Residents who plan to bring 10 or more tires must make prior arrangements by calling (909) 387-0289.

"I encourage residents to take advantage of this free trash disposal service provided by the County of San Bernardino," said Chairman Biane, who represents the Lytle Creek community as the County's Second District Supervisor.

Hazardous materials such as paint, insecticides, weed killer, etc. will not be accepted at the community cleanup. These items can be taken to the Rialto City Maintenance Yard located at 246 Willow Ave. in Rialto. Items are accepted at this site on the second and fourth Friday and Saturday of every month. Hours are 9 to 11 a.m. on Fridays and 9 a.m. to 2 p.m. on Saturdays. Residents can call (800) 645-9228 for more information about hazardous waste disposal.

Clean Earth Recycling will be at the cleanup accepting used electronics such as VCRs, stereos and radios. In addition, the company will accept televisions and computer monitors, which are considered hazardous waste.

For more information, call Code Enforcement at (909) 387-4044.
